The new parish life center is about to start construction, which means several areas of campus will be fenced off.

Beginning Nov. 4, daily Massgoers should follow the path shown by the blue dots in the map above. Come into the parking from Bishop Lake Road, make an immediate right, turn left up the hill and right into the parking lot. St. Ann’s Preschool carpool also will be redirected during construction; its route is indicated by the red arrows on the map.

People who want to access the handicapped parking area should use the Roswell Road entrance.

Thank you for your patience and cooperation as we Open the Doors of Tomorrow.
