- When selling plants, please make every effort to obtain the email address and/or phone number of the customer.
- *Please collect payment when you take the order. Have customer make check payable to one of your parents. **Parents – submit one check to St. Ann's for the total amount sold.***
- **Order Forms are due by October 28th.** Please keep a copy for yourself and turn in a copy to the Life Teen Office. Check and double check the totals on your order forms before turning them in.
- **We will be requesting that the plants be delivered to St. Ann's on Monday November 12th. This is tentative delivery date. You must make arrangements to pick up the plants on that afternoon between 3pm and 7pm.**
- After pickup, please try to deliver the plants as soon as possible. **Do not** store the plants overnight outside or in a garage. Poinsettias do not handle the cold well.

Sales Tips:

Contact neighbors, parents of friends, parents of teammates – anybody that you might have a personal connection with. Two great sales points – easy way to obtain poinsettias that will be delivered to them in time for Holiday decorating. They also make great gifts for teachers, etc.

Have your parents bring an order form to work and leave it in the break room. It's an easy way to generate sales. Also, medical offices or business are always looking for holiday decorations.

Post it on Facebook and other social media outlets – This can generate sales, but beware – you may want to limit who you take orders from. You are responsible for delivering the plants in a timely manner, and you don't want to be driving all over metro Atlanta delivering plants.

Be enthusiastic! Good luck selling!!!!
