# CLASS INFORMATION

*Placement is determined by child's age as of September 1st and Director's discretion.*

St. Ann's Preschool was established in 1979 to care for fewer than 30 children. Today, our enrollment is nearing 150. Our staff of teachers and assistants perpetuates our school's excellent reputation. In compliance with state and diocesan guidelines, each classroom has two adults. St. Ann's Preschool teachers are required to participate in continuing education and faith formation workshops to keep them in stride with today's educational and spiritual practices. Our staff exemplifies St. Pope John Paul II's statement "that faith must become culture". The culture at St. Ann's Preschool is to meet the needs of the child and to put into practice the goals of our school. Our enrichment program includes: religion, music, movement and Spanish a few times a week. Religion is also expanded by the classroom teachers.
